The yearbook staff and sponsors strive to produce a book that represents all of the student body at Rappahannock High School. Seniors are asked to submit portraits, baby pictures, and accomplishment information at the beginning of the year. Every effort is made to insure that these photos and information are included and stated accurately. The Yearbook Staff is not responsible for pictures or information left out because it was not submitted to us in a timely matter.

## Competition Cheerleading

### District Champions

By: Megan Packett

When we first began this journey  
The road looked long and rough,  
And though we hit some bumpy spots,  
We proved our squad was tough.  
We cheered and danced and danced and cheered,  
And stunted again and again.  
We practiced till our bodies grew weak,  
But our hearts were determined to win.  
Beyond our mutual love for the sport,  
Our squad grew tightly knit.  
Twenty people, all so diverse,  
Who could of imagined it?  
Day-by-Day our routine evolved,  
Into a work of art so fine.  
And with it bloomed our friendship ties  
That will linger for all time.  
Competition day came too soon,  
And we showed we were the best.  
The District Title came home with us,  
Fifteen points above the rest.  
District Champions we are,  
And that we'll always be.  
We won the title, it's ours for good.  
The Champions in 2003!  
But we can't forget the laughs,  
The jokes and good times too.  
We made great friends and had a blast  
We are the best because of each of you.  
Now that the season has passed us by,  
We must not forget our pact  
We vowed to be District Champs,  
And we are--that is a fact.  
But we also vowed to never let  
The bond that we share slip away.  
Remember this year and all we've done,  
And when you're old and gray..  
You'll think back on our squad  
You'll laugh or maybe shed a tear,  
Because we did it, we proved ourselves  
2003 was OUR year!

A quick pose before showtime.

The girl's are giving it all they have!

*Coach: Kathy McCarty*

The girls JV Volleyball team had an outstanding year under the leadership of captains Jessica James and Sarah Hundley. All but three players were new to the team but it did not take long before the girls played as one rather than six individuals on the court. First-year coach Kathy McCarty said, "This is a great group of girls, on and off the court.

Working with them has been one of the highlights of my year." Ms. McCarty also said that with a little more experience, this team definitely has the potential to be district champs next year.

Overall, this was a great tennis season for our girls. They learned how to play the game correctly and had fun in the progress. Although our record is not strongly indicative of success, I am happy with what our girls accomplished. The team consists of three seniors: Amber Davis, Tiffany Davis and Emily Packett.

# Amber, On the road to state!

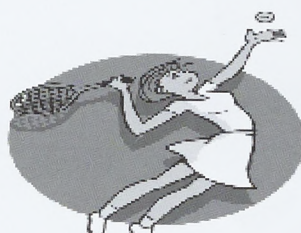

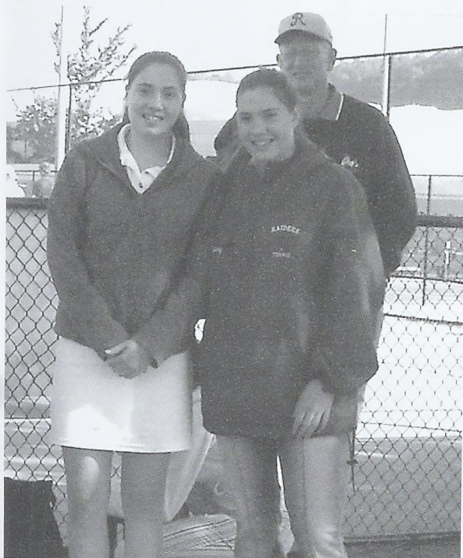

Although the season was over for the team, Amber Davis was the first seed in contention to advance and win the state championship in singles play. We are very proud of her efforts to get this far. She has worked hard and she deserves all the success she experienced. *(Continued below)*

**Left:** Amber is on her toes ready to go!

**Right:** Amber and Coach Faison with the winning trophy.

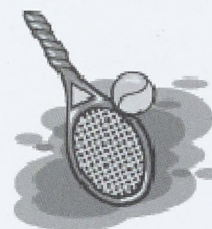

**Below:** Amber, Tiffany, and Mr. O'Dell at Radford University.

Amber defeated James Monroe's first seed to advance to the regional semifinals. She later played a phenomenal match against a supposedly first seed from Mathews and won 6-0, 6-1. Finally, Amber made it to her biggest test of the season. All of her love, hustle and desire went into this one match. Her parents, sister and coach lived and died on each play. This was a great match against a very talented opponent from Windsor High School. Amber gave it all she had and prevailed to win the Single A Regional Championship 6-4, 1-6, 6-3. Amber represented Rappahannock High School in a tremendous way. She played in the state tournament at Radford University on June 5. We congratulate her on all of her success. *(K. Faison from NNNews article.)*

# 90 Seniors, 90 Scarves

*Senior Emma Bowles wanted to unify the senior class, so she made a scarf for every senior in the class.*

There was an interesting sight at RHS the day before winter break... each of the 90 seniors walking around had on a handmade scarf. Emma Bowles, a senior, wanted to unify her senior class, so she decided to make everyone a Christmas gift. With the help of her mother, 4 months, numerous skeins of yarn and a list of each student's favorite colors, Emma made a scarf for every senior. At a time of year

concerned with a gift list with one or two people on it, Emma had one with 90. The cost of the yarn for this project could have been well over \$90, but with the help of many yarn donors, this was the one thing Emma did not worry about. The reward for this undertaking? Emma received many thank yous and gave a Christmas present that the whole school will remember.

## *Wish Upon A Star*

*To The Senior Class:  
Your time has come to leave RHS,  
So we're saying goodbye and wishing you the best,  
You've been an inspiration to all of us here,  
We will miss you much as you end your last year,  
Tonight this prom is dedicated to you,  
So when you "Wish Upon A Star,"  
May all your dreams come true.*

# "Dream Big"

If there were ever a time to dare,  
To make a difference  
To embark on something worth doing  
It is now.

Not for any grand cause, necessarily –  
But for something that tugs at your heart  
Something that is worth your aspiration  
Something that is your dream.

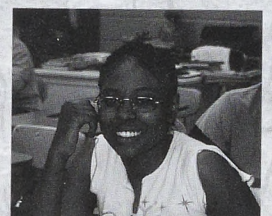

You owe it to yourself  
To make your days count.  
Have fun. Dig deep. Stretch.

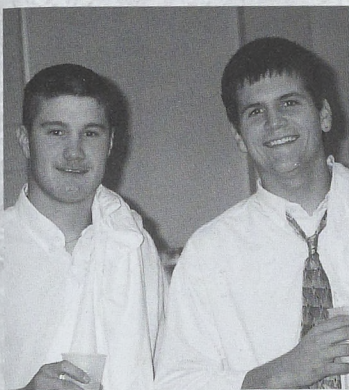

## **Dream Big.**

Know, though,  
That things worth doing  
Seldom come easy,  
There will be times when you want to  
Turn around  
Pack it up and call it quits  
Those times tell you  
That you are pushing yourself  
And that you are not afraid to learn by trying.

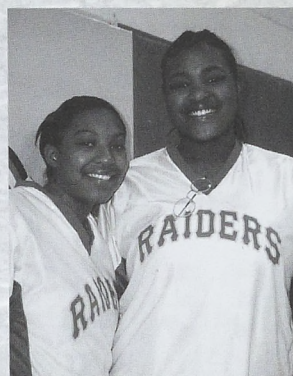

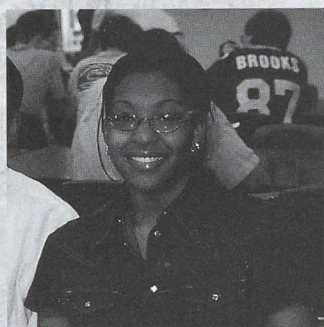

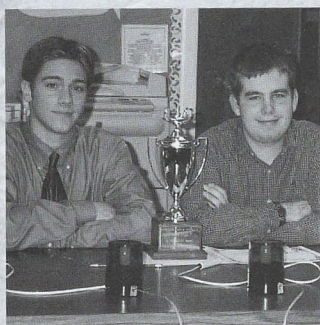

## **Persist.**

Because with an idea,  
Determination and the right tools,  
You can do great things.  
Let your instincts, your intellect  
And let your heart guide you.

## **Trust.**

Believe in the incredible power  
Of the human mind  
Of doing something that makes a difference  
Of working hard  
Of laughing and hoping  
Of lasting friends  
Of all the things that will cross your path  
Next year  
The start of something new  
Brings the hope of something great.  
Anything is possible  
There is only one you  
And you will pass this way but once.  
**Do it right.**

Congratulations!

Love,  
Mom, Dad, & Jacob

Dear Joel,  
It has been said, "Your body is your past, Your mind is the future. Your soul is the present." Take these childhood years and remember them well, for the child in you is always with you. Nurture your mind, be good to your body and love with your soul...We are so ever proud of you and know the future is yours...Carpe Diem.

Love you so, Mama and Daddy

Nathan- The Lord has blessed and enriched our lives by sending you to us. We've cherished the moments of love, laughter and joy we've shared. Our love for you is unconditional. Our dreams for you are success and a life full of happiness. Our hope for you is to always remember

who you are, keep the faith and always C.T.R. We are so proud of you son & brother.

Love Eternally, Debbie, Jeff, & Bryan Fraizer

## Channing Noel Davis

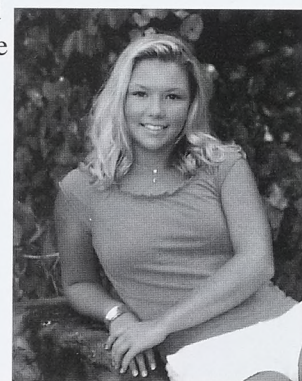

Congratulations!

Our little girl is all grown up! Now you have places to go and things to do!

We enjoyed watching you grow and learn and are proud of your accomplishments. We wish you joy and success as you take your hopes and dreams and continuing love with you to college and into your future.

Our love, Mom and Dad

# Farewell to Mr. O'Dell

Leadership takes many forms – a coach's quiet nod of approval, a president's speech, a teacher's challenge to excel, a superintendent's vision of educational success for all students. On June 30<sup>th</sup>, Karl O'Dell will retire as Superintendent of the Richmond County Schools but because of his leadership, his vision for student success will continue to thrive. Being a strong leader demands a vision for success, the courage to make the unpopular decisions needed to reach goals, and the integrity and principles to protect the interests and support the needs of those he serves. Over his twelve years in the superintendency and his thirty-one years as an administrator, Mr. O'Dell has consistently shown the courage and integrity that leadership requires.

## Instructional Program Improvements

Mr. O'Dell's consistently strong leadership and the changes he inspired have been major contributors to the success of the Richmond County Schools. As a hands-on leader, Mr. O'Dell has been actively involved in all aspects of the educational program and has been instrumental in developing and improving the educational opportunities for our students. During his tenure and as a direct result of his guidance, Richmond County staff members improved the instructional program by

- Expanding the number of advanced placement courses for high school students. Students may choose to take advanced placement classes in English 11 and 12, Calculus, U.S. History, and Latin.
- Developing a dual-enrollment program with the Rappahannock Community College that allows students to earn high school and college credits for their classes. Six RCC classes are open to Rappahannock High students.
- Promoting and expanding student participation in the Upward Bound Program, which is designed to provide college opportunities for disadvantaged students.
- Expanding credit courses at Richmond County Intermediate School and encouraging participation in Latin classes.
- Developing a series of after school programs in a variety of subjects to promote SOL success and to provide enrichment in the arts and language.
- Participating in the design and implementation of collaborative projects with other school divisions including the Chesapeake Bay Governor's School, two different alternative education opportunities for students who have educational difficulties, and a technology training project to provide teachers with in-service training and planning time to incorporate technology into classroom instruction.
- Adding teaching positions to allow for lower student/teacher ratios, particularly in the elementary years. The addition of student service personnel positions including nurses, assistant principals, and technology specialists support a comprehensive educational program that considers the discipline, attendance and health needs of our students as well as their academic requirements.
- Promoting the active use and integration of technology in classroom instruction. Included in these activities are the use of laptop computers in high school classrooms, the development of a wide area network that put all classrooms on the Internet and extensive summer training programs to allow teachers to leisurely learn about technology and plan for its use in the classroom.
- Developing sports opportunities in the areas of tennis, soccer, and golf

Of the 133 school divisions in the state, only 24 have attained the SOL accreditation standards in all of their schools. Because of the educational improvements noted above, Richmond County is proud to be one of these 24 school divisions. In addition, all Richmond County Schools are accredited by the Southern Association of Colleges and Schools.

## Honors and Responsibilities

Mr. O'Dell's ability to provide exceptional leadership resulted in his designation as Superintendent of the Year for Region 3 by the Virginia Association of School Superintendents. This annual award recognizes the contributions of Superintendents who serve in Region 3, an area that stretches from Gloucester to Stafford County and includes the school divisions of the Northern Neck and Middle Peninsula. Mr. O'Dell was chosen by his peers to receive this well deserved award during the year 2000.

Although Mr. O'Dell will be leaving his position in June, his influence on the education of Richmond County children will be on-going. His leadership has provided staff and teachers with an educational vision and with the skills to assume the leadership roles needed to continue Richmond County's quest to meet the educational needs of all its students. His contributions have been an integral part of the county's educational success and his guidance and creativity will be especially missed.
